Block Assembly

Note: The arrows in figures represent the fabric print direction. Pay attention to the fabric and unit orientations when assembling the various components.

1. Place (1) 2 1/8" Fabric D square on top of (1) 2 1/8" Fabric B square, right sides together. Draw a line across the diagonal of the top square (Fig. 1). Sew 1/4" away from each side of the drawn diagonal line (Fig. 1). Cut the (2) squares apart on the drawn diagonal line (Fig. 2) to make (2) half-square triangles. Trim the half-square triangles to measure 1 3/4" square to make (2) Unit 1 squares (Fig. 3). Repeat to make (72) Unit 1 squares total.

Fig. 3

2. Repeat Step 1 and refer to Figures 4-11 for fabric identification and placement to make the designated number of unit squares for Unit 2 through Unit 9. *There will be (480) half-square triangles in total.*

Diagram illustrating Block Eight, which makes 8. The block is composed of 8 smaller blocks arranged in a 3x3 grid. The center block is a white square with a black 'C' and an upward arrow. The four blocks adjacent to the center (top, bottom, left, right) are white squares with a black 'B'. The four corner blocks (top-left, top-right, bottom-left, bottom-right) are white squares with a black 'B' and a red diagonal line from the top-left to the bottom-right. The text 'Unit 8' is written in black on each of these four corner blocks, oriented vertically along the diagonal line.

Quilt Top Assembly

(Follow the Quilt Layout while assembling the quilt top.)

7. Sew the Left Side Border and Right Side Border to the left and to the right side of the 26 $\frac{3}{4}$ " Fabric A square. Sew the Top Border and Bottom Border to the top and bottom of the Fabric A square to make the Center Block.

8. Center (1) 3" x 73" Fabric N strip on (1) side of the Center Block and pin in place. Start sewing the strip a $\frac{1}{4}$ " from the top edge of the block and stop a $\frac{1}{4}$ " from the bottom edge. **DO NOT TRIM THE EXCESS.** Repeat with the opposite side.

Fig. 23

Fig. 24

9. Repeat Step 8 to sew (1) 3" x 73" Fabric N strip to the top and to the bottom of the Center Block, making sure to stop and start ¼" away from each end of the block. To miter each corner, fold the Center Block on a diagonal, wrong side together. This should line up the strips from adjacent sides (Fig. 25).

10. Starting at the sewn seam (represented by the arrow in Figure 25), draw a 45-degree line to the edge of the fabric. Sew on the drawn line. Trim the excess fabric leaving a ¼" seam. Repeat this step with the remaining corners to make the quilt top.

Fig. 25

11. Layer and quilt as desired.

12. Sew the (7) 2 ½" x WOF Fabric H strips together, end to end with 45-degree seams, to make the binding. Fold this long strip in half lengthwise with wrong sides together and press.

13. Bind as desired.
