**Block Assembly**

1. Refer to the graph below and the quilt photo for each block’s colorway. Fabrics K, L, and M are cut as 2-1/2” x 10-1/2” rectangles, and the remaining fabrics are cut into 1-1/4” x 7” for the side strips and 1-1/4” x 8-1/2” strips for the top and bottom strips around each butterfly. The cutting instructions specify the number and size of the strips to be cut from each fabric.

2. Sew two 1-1/4” x 7” strips to opposite sides of a 7” Fabric N square (figure 1). Press the seams away from center.
3. Sew two 1-1/4" x 8-1/2" strips to the top and bottom of the step 2 unit (figure 2). Press the seams away from center.

4. Beginning on the bottom right of the step 3 unit, sew a 2-1/2" x 10-1/2" strip stopping 1/4" from the top edge of the block (a). Press open. Sew another strip of the same color to the bottom (b), one to the left side (c) and one to the top (d), pressing open after each addition. Finally, finish sewing the first strip (e) to complete the 12-1/2" block (figure 3).

5. Repeat steps 2 – 4 with all squares and strips to make a total of twenty-five 12-1/2” blocks.

**Quilt Top Assembly**
*(Follow the quilt diagram and photograph while assembling the quilt top.)*

6. Referring to the quilt photo for block placement, lay out the blocks and the 2-1/2" x 12-1/2" Fabric P sashing rectangles in five rows, and join the blocks and sashing strips together in each row. Press the seams toward the blocks.

7. To make the horizontal sashing rows, alternatively sew together six 2-1/2" Fabric O cornerstones and five 2-1/2” x 12-1/2" Fabric P sashing rectangles. Repeat to make a total of six sashing strips. Press the seams toward the cornerstones.
8. Matching adjacent seams, sew block rows and horizontal sashing strips together. Press the seams in one direction.

9. For border 1, sew the eight 1-1/4” Fabric L strips together end to end using diagonal seams. Measure the vertical length of the quilt top through the center and cut two border strips that length. Sew one strip to each side of the quilt top. Measure the width of the quilt top through the center. Cut two border strips that length and sew one to the top and one to the bottom. Press the seams toward the borders.

10. Repeat step 9 with the eight 4-1/2” Fabric O strips to make and add border 2.

Layering, Quilting, and Finishing
11. Create a quilt sandwich with the batting between the quilt top and the backing. Pin or baste layers together, mark quilting design, and quilt by hand or machine. When quilting is complete, remove pins or basting, and trim batting and backing even with raw edges of the quilt top.

Binding
12. Sew the nine 2-1/2” Fabric M binding strips together end to end using a diagonal seam to make one long strip. Fold in half lengthwise and press. Sew binding to the edges of the quilt top, mitering corners, and overlapping ends. Fold binding to the back of the quilt and stitch it in place by hand to finish.

2-1/2” square - Trace onto plastic for template and use to fussy-cut cornerstones.
