

One Crazy Sister Club II

Are you back for more, or just starting in the fun? Whatever the case, you are in for a crazy good time as you join together each session for the fun! The blocks and projects are a bit smaller than normal to make downloading easier, so the the projects are just a “little” crazy but they are packed with crazy good fun! Student participants will pick up piecing techniques and helpful hints each session, until they graduate and officially become “One Crazy Sisters”! The logo is provided as part of the club so that shops can personalize their graduation ceremonies with t-shirts, bags, etc. So join iin the fun and start your club today!

FOR THE SHOPS: You need one piece of fabric (in the designated size) for each block so these quilts are easy to make smaller or larger! 16 blocks = 16 fabrics, 20 block = 20 fabrics, etc. And it’s a breeze to make additional blocks for additional projects, like “Now I Know My ABC’s”, just count the total number of blocks and that’s how many fabrics you will need, and best of all, the blocks will be even scrappier! Shops can offer a basic starter pack for the small versions shown, and students can choose to make individual quilts larger! PLEASE REMEMBER: The students will need the General Crazyness directions. This is a separate file so that you don’t have to print it each session.

Session 1:“Open Hearted” 24” x 24” Heart blocks will teach the basics of crazy piecing including using the dots on the master patterns.

Session 2: “Spooling Around” 42” x 42”. Star blocks continue teaching about the importance of the dots on the master. Teach hints for matching seams. Also can teach the technique of connector squares.

Session 3: “In Full Bloom” 33” x 33” Round Flower blocks will again utilize the connector square method which in this instance allows students to see they can select their own background color. Talk about fussing cutting some flower centers for substitution into the fabric stack.

Session 4: “Watch Over Me” 27” x 27” Angel blocks Help students stack more complex blocks, with 4 fab-rics per block. Teach basic backstitch for embroidered inner border, or you may choose to simply letter is with permanent fabric pens. Touch on appliqué hints, or

substitute wool for the applique if your shop carries wool.

Session 5: “Cats are Angels Too” 31” x 31” Combine Cat and Angel blocks for a fun little quilt! Incorporate previously learned substitution techniques for the cat noses, practice embroidery, and appliqué techniques.

Session 6: “Hole in the Barn Door” 31-1/2” x 31-1/2” This block looks complicated but is no more difficult! This would make a great larger quilt!

Session 7 (optional): “How Does Your Garden Grow” 42” x 58” This quilt combines several different blocks and stacks & shuffles a bit differently to get a different look to turn hearts and stars into flowers! Teaches students what is necessary in order to have a background that is all the same value, in this instance a cream, or light background.

Session 8 (optional): “Now I Know My ABC’s” 30” x 36”. Wrap up to use the leftover blocks if you selected to make them throughout. Otherwise, directions are written to make this quilt from scratch. Talking/teaching points would be help with scrappy alphabet block borders. Present students/participants with a “One Crazy Sister” diploma and/or item of your choosing i.e. t-shirt, bag, or mug using the supplied logo.

Open Hearted 24” x 24”

Spooling Around 42” x 42”

Watch Over Me 27” x 27”

Hole in the Barn Door 31.5” x 31.5”

In Full Bloom 33” x 33”

Cats Are Angels Too 31” x 31”

How Does Your Garden Grow 42” x 58”

FEATURING THE *Best of Days* COLLECTION

The Best of Days Collection designed by One Sister was created with the One Crazy Sister Club II in mind. One Sister designer, Janet Rae Nesbitt, has long been known for her scrappy quilting techniques and crazy pattern style. Janet incorporates a unique primitive color palette with her Crazy pattern method, blending prints and yarn dyes fabrics to create her look.

Please see the eight free projects on the pages of this flyer. These club projects come with loads of helpful merchandise moving tips and will be offered to the shops that order \$1000.00 or more of the Best of Days Collection.

Club members are awarded with eight free small quilt patterns designed by Janet. These projects will be made available to the club members with a passcode. **See more about the club and how to fill out the club form go to www.henryglassfabrics.net.** For questions and additional details contact Larry Reichenberg at Larryr@jافتex.com.
