Banner Top Assembly

1. Press the Banner Top and 31" x 31" backing well. Layer backing (wrong side up), batting, pressed quilt top (right side up) and baste. Start 1" in from each edge and quilt as desired and trim excess batting and backing when quilting is complete (Fig. 1).
2. Fold the quilt front and backing out of the way and trim **ONLY** the batting $\frac{1}{4}$ " smaller (Fig. 2).
3. Fold the quilt front edge around the batting and press to cover the batting edge.
4. Fold under the backing edge $\frac{1}{4}$ " and press so the front folded edge and back folded edge are aligned.

Tab Assembly

5. Fold (1) 4" x 6 $\frac{1}{2}$ " Fabric E strip in half lengthwise and press (Fig. 3). Open the folded fabric and fold each long edge to the creased centerline and press (Fig. 4).
6. Fold the pressed fabric in half again and press to make (1) 1" x 6 $\frac{1}{2}$ " strip (Fig. 5). Top stitch down both long sides $\frac{1}{8}$ " in from the edge to make (1) Tab (Fig. 6).
7. Repeat Steps 5-6 to make (3) Tabs total.
8. Fold each tab in half and press to measure 1" x 3 $\frac{1}{4}$ "

Banner Assembly Instructions

9. Measure in from the left top corner 1" and slide the raw edge of (1) folded Tab into the top of the quilted banner $\frac{3}{4}$ ". Pin in place. Repeat with the right corner and a second Tab.
10. Measure the banner top edge to find the center. Position the third Tab at the center mark and pin in place. Top stitch the top edge of the banner $\frac{1}{8}$ " from the edge to hold the tabs in place.
11. Arrange the Fabric A-E assorted strips as desired at the bottom of the banner top. Slide the top edge of each strip in between the folded edges of the banner top, $\frac{3}{4}$ " and use the glue stick to glue the top of the strips in place to the wrong side of the backing fabric (Fig. 7) .
12. Once you have the desired number of strips glued in place, top stitch down each side of the banner top and across the bottom to hold the strips in place.
13. Hang the banner and use scissors to trim the strips to the desired length and angle to complete the banner.
