

Hat on a Cat

by Leanne Anderson & Kaytlyn Kuebler

“Hat on a Cat” seasonal cat panel (836P-04) can be made into either 12 mini quilts that can be hung on an “I Love Cats” Ackfeld hanger (available through TWCC) or as a BOM where all 12 mini quilts are sewn together as one large quilt. There are 2 versions of the “Hat on a Cat” BOM Quilt, one with a border stripe and one without. The “Hat on a Cat” BOM is offered as a 13-month program. Each month comes as a separate pattern to make the stand-alone mini quilt or to be used in Month 13 which includes finishing instructions for the BOM quilt options.

The BOM patterns are free when you order the entire collection. Fill out the BOM order form and return to Renee Burdette at rburdette@jafftex.com and The Whole Country Caboodle will send you the link to download the patterns.

Note: The patterns are available for purchase through The Whole Country Caboodle if you do not buy the entire line.
