Crazy Good Life

Designed by Janet Rae Nesbitt

Quilt Size 48" x 52"

FQ=Fat Quarter FE=Fat Eighth

The Crazy Good Life quilt is intended to be made using left over blocks and fabrics, for sashings and borders, from the other 7 projects in the "Itty Bitty Club" collection. If you do not have leftover blocks from the previous projects, please see below the minimum yardages necessary to make this quilt. This method of quilting requires that you do make multiples of each block, depending on how many elements are in each block. ** Please note if you have bought the fabric required for all the club projects these totals are included. The yardages listed below allow for the variety of fabrics used in the quilt.

Itty Bitty Fabric Requirements FOR CRAZY GOOD LIFE QUILT ONLY

(only if you haven't made all of the quilts in the club and don't have leftover blocks-
but you will have leftover blocks if you only make this quilt!)

These are NOT in addition to the club requirements).
